Senate Committee On Rules

Measure, Appointment or Topic:

HB4159

To the Senate Committee of Oregon.

I believe you need to listen to your people that voted for you and that are gun owners, not the people that came from another state that don't know what make this state run. Or at least what this state was built on. We were farmers, hunters, fisherman and survivors. We have a second amendment for a reason. We have the right to bear arms in this country and in this state. And you do not have the right to take that away. I know you believe you do. But we the people did not give you that right. So please vote NO.

Thank you for your time.
