Measure, Appointment or Topic: SB1509

I support SB 1509 because I'm concerned about the current law lacking adequate enforcement. SB 1509 would allow the Secretary of State to review and enforce elector pledges by invalidating any ballot cast in violation.

It is also important to me that should any presidential elector cast a ballot faithlessly, this legislation will require that elector to be removed from their position and that they be replaced.

I will sleep better when this legislation is passed.
