Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Good afternoon,

I am opposed to HB4145 as it causes undo financial strain on our already struggling community. The bill does nothing to stop gun violence and only makes it harder to be a law abiding citizen. Everyone in our community needs to be able to protect themselves and making our access to firearms harder to get both financially and by difficult process seems unconstitutional. Please vote NO on this bill.
