

Submitter: Hayes Kenny

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I oppose the expanded restrictions proposed in HB4145 because it goes beyond what voters narrowly approved in previous voting, and because of the exclusion of current and former law enforcement from the permit system. We need consistent and sensible laws that apply to everyone and do not create a separate class of individuals who purchase arms at will beyond the abilities of otherwise eligible civilians.
