

Submitter: Martha Pyne

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

I think that all Oregonians could agree that the most most treasured thing about Oregon is our natural beauty and wildlife. It's something we can all enjoy now and hopefully leave to future Oregonians. We have seen that radical changes to our natural State can have far-reaching effects and take a very long time to recover. It's better to protect them from the start.

Sincerely,

Martha Pyne
