

Submitter: William Lindemann

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Our 2nd amendment rights were put into place to help protect our 1st amendment rights. Without both all our rights are in jeopardy.

I wish I was able to attend today's meeting, but if possible I want to go on record of supporting Christine Drazan's efforts to defend our 2nd amendment rights and her efforts to support all of our amendment rights.

Thank you,

William F. Lindemann
