HB4145

I am writing to oppose this modification to measure 114. Under no circumstances should former or currently LEOs be exempted from this rule. They are statistically more likely to be domestic abusers than your average civilian. Furthermore, these unnecessary and arbitrary hurdles for gun ownership will impact marginalized communities and put them at the whims of racist police officers. I wholeheartedly oppose this measure and any Democrat with situational awareness should look at what is happening and vote against this measure as well.
