

Submitter: Joseph Harrington  
On Behalf Of:  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: HB4145

I oppose this in every aspect of it. This is another instance where criminals can and will do whatever they want against any law. This will only impact people trying to protect themselves and their families. This will especially impact marginalized people who are trying to get by and protect themselves. Maybe work on the passive policies that enable criminals to do as they please with minimal consequences. We don't need more law enforcement. We need better laws and this is not an effective step towards that.
