Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I strongly oppose 4145. This bill only made it this far because of the improper handling of the measure by Rep. Kropf. It is also an end run around the legal system that is in place for a reason. Let the process work the way it's supposed to. I implore you to stop trying to do an end run around the US Constitution. It has been in place for 250+ years, we are doing fine without all of the meddling.
