Measure, Appointment or Topic: HB4145

I oppose HB 4145 and measure 114 as a whole due to it restricting the rights of the American public, specifically minority communities.

Measure 114 from the start was a police funding and overreach bill, this addition only solidifies this fact.

By creating a special class of citizens that are exempt from the new firearm regulations makes this more unfair and unconstitutional.

We have already seen how regulatory measures such as this lead to police abuse of power in other states. This allows police agencies to use prejudice towards minority communities by dis-allowing them their constitutional rights as Americans.
