This bill sounds like a much better way to finally support our non game wildlife that is so vital to all Oregonians.

ODFW and the State of Oregon are always in a funding deficit and are unable to fund all the needs that are important.

Hunters and Fishers fund many programs ODFW needs through our fishing and hunting licenses. Trying to figure out

what needs to be cut is so hard when funding isn't available. Pass this bill! I would be glad to spend a few extra dollars for a hotel room.
