Measure, Appointment or Topic: HB4145

I am absolutely against this measure. Never mind the 2nd amendment rights, this measure only will prevent the low income, retired population from being able to afford to buy a gun. I am 72 yrs old and own a hand gun which I bought for protection while working on our small ranch alone. If I would have had to buy a permit to buy it I could not have afforded it. My family has owned guns since before I was born, used to hunt and provide meat for our family. This bill will not stop the criminal. From getting a gun, if it did they would not be called criminals. Do not pass this bill to strangle the legal citizens of OR
