I oppose this because it's unconstitutional, it's a fee to exercise a constitutional right which is supposed to be illegal, it is going to gate off poor people who can't afford the fees, it's hypocritical because cops are exempt from it yet the supporters of this law falsely claim that magazines that exceed 10 rounds are inherently dangerous, and it puts an arbitrary delay on the permit from 30 to 60 days.

No other constitutional right is subjected to these ridiculous restrictions and the people who proposed and support this bill should be arrested and charged with conspiracy against rights. Our courts in Oregon have been completely infiltrated with anti-gun democrats who are being funded by Michel Bloomberg, Every town for gun safety, moms demand action, and other anti-gun organizations to push unconstitutional gun control laws. This is extremely unethical, and it's an converted effort to subvert the 2nd amendment by passing law after law that only restricts and disarms lawful peaceful gun owners.

You anti-gun democrats are sick, evil, totalitarians and you are committing treason against the constitution.
