Measure, Appointment or Topic: HB4138

I oppose this bill because of the restrictive measures it puts on Second Amendment gun rights (i.e. long wait times, and doubled costs of registering), plus the restriction on officers of not wearing face masks or protection is leaving them open to persecution and threats by anti police extremists. An officer always has identifying documents on him and showing his face doesn't make him more official as a legitimate officer. It only makes him and his family more of a target for those who would harm them.
