

Submitter: Chris Dermody

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am writing to voice my opposition to HB4145. This bill will create a two-tiered system where former and current law enforcement officers and the wealthy are able to acquire firearms without significant restriction, leaving poor and disenfranchised communities behind. This bill will effectively help disarm the most vulnerable members of the community, leaving them vulnerable to crime and government over reach.
