Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am deeply opposed to this measure. At a time when American citizens are being threatened by a criminal administration the last thing we should be doing is trying to disarm law abiding citizens.

This law is discriminatory in that it allows carve outs for law enforcement even when off duty. Police departments should not be able to decide who can exercise their 2nd amendment rights and who cannot. This is wrong.

The magazine limit is not going to stop anyone who is committed to violence. This bill is wrong in so many ways.

I am a Democrat and have voted Democrat my entire life. If this bill is passed I will start voting for Republicans in state government. Marion county is a competitive district. Many others feel the same way as I do. This bill will cost Democrats vital support that they need at a time of crisis in the party.

This bill is wrong and it should not be allowed to pass.

Thank you,

Tyler Hall
