On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am writing to oppose this measure. The fact that you have taken the time to write a bill and run it through this sham of a political process is just another sign you have all lost your way! This bill takes a guaranteed by the Constitution right and turned it into a pay to play scheme. The criminals that are run through our revolving door justice system do not care one whit about this but law abiding citizens throughout this state are fed up with this stuff. Please come to your senses and do the right thing!

Sincerely
Charles Roberts
