

Submitter: Sandy Kerbow

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

We are strongly OPPOSED to HB4145A! This bill will jeopardize women trying to get out of domestic violence situations. Making them wait! Raising fees! In rural counties deputies can't get there fast enough. Oh and by the way the bad guys don't go to the gun stores so they can wait 60 days!

VOTE NO!!!
