

Submitter: Alex Beazle

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

The permit fee is right on the border of being unaffordable for me. Why are police exempted from the fee? A police officer starts at \$86k in Portland, my teacher friend makes \$43k (w/ 3 years experience!). Fee's make firearms ownership unaffordable and out of reach for the average citizen. This is a tax on the second amendment.
