

Submitter: Anthony Gavis

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Measure 114 puts unnecessary cost on Oregonians, and places special treatment and unfair consideration on a very small group of people in the state. The permit system opens opportunity for discrimination against marginalized groups, and prices them out of their own constitutional rights. Placing the permit system at the behest of local law enforcement raises concerns of unfair consideration and favoritism.
