Measure, Appointment or Topic: HB4145

I oppose HB 4145! All it does is put more laws and regulations onto legal gun owners. "Shall not infringe" should mean something to you. We have a violence problem with people, not with guns. Violent people will always find a way to do their violence. Just look at more and more Knife violence problems. Shall we next regulate knife ownership? More regulations on car ownerships?
Americans have a Right to protect themselves. I have a RIGHT to protect myself. Don't take that right away from me. Maybe try locking up the real criminals instead of going after LEGAL gun owners - time and time again.
