On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I oppose HB4145. As with other "feel good" gun bills, there will be no meaningful effect on people who already ignore robbery and murder laws. It will only affect people who already obey existing laws. Standard politics. Look around your own life. How many women do you know who can fight off muggers or sexual attackers? Now put a weapon in their hands and ask again. Please vote down this silly bill.
