Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Hello,

I am writing you today to express my complete and total OPPOSITION of HB 4145. This is an Unconstitutional bill being proposed. My fellow Law-abiding Oregonians and I are tired of having our Rights continuously being attacked by such Laws. Not only is this bill unconstitutional, but it does nothing to stop actual crime, and instead puts the burden on the Law-abiding. This is poorly written and will do NOTHING to actually curb crime.

Again, I ABSOLUTELY OPPOSE this Bill and any similar to it!

Signed,  
Jay Jacobs
