Measure, Appointment or Topic: SB1516

Dear Sir/Madam,

I am writing in support of passing Senate Bill 1516A. As a 75 year old Asian American businessman and a victim of similar burglary activities in the past, I am greatly disturbed and frightened by the recent rise of such bold and well coordinated burglaries targeting our AAPI communities. The loss to us are not just financial, but to a large extent psychological in nature. I wouldn't doubt that many of the victims have developed some form of PTSD and a loss of trust of the system of law and order that we have been taught to honor. Please pass the bill and restore out faith in the system. Thank for for listening and considering in passing the bill.

Cordially,

David Leung
