Measure, Appointment or Topic: HB4134

Dear Senate Committee on Finance and Revenue,

I am urging you to vote yes on HB 4134 because it is a common-sense method to raise money to help with wildlife conservation in Oregon. This small tax increase on lodging will provide secure funding for much-needed wildlife conservation. Even members of the hotel industry support this bill because they are aware that tourists visit our state most often to enjoy our beautiful natural areas and view our wildlife. This bill will help make sure that our wildlife is protected for years to come. Our state's lodging tax, even with this small increase, will still be one of the lowest in the nation.

Vote YES on HB 4134.

Thank you!

Anne-Marie Eklund
