Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am in strong support of HB 4145. We need this bill to pass in order to logistically make Measure 114 work for Oregonians. Voters passed 114 and the job of the legislature is to do the work of the voters. Oregonians want increased responsibility for gun ownership because too many of our community members, especially children, are dying from firearms.

Sincerely,
Jill Pearson
