

Submitter: Kyle Purdy

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

The right of a People to bear arms, for the purpose of protecting oneself, one's family, or community from Evil, whether it be localized, or a tyrannical corruption of the Governmental system is a Spiritually Ordained right enshrined in the US Federal Constitution and shall be not be subject to interference.

I am a born and raised Oregonian, tax payer, law abiding American, gun owner and I oppose measure 114. Anyone who wants gun control, ignoring positive social change, is a coward and traitor to Humanity's sovereignty. Government will always be Evil, the People always Righteous.
