Measure, Appointment or Topic: HB4134

I am writing to strongly support HB 4134.

The vulnerable wildlife and their habitats in our beautiful state are under attack from all sides. As federal funding disappears, we need to provide for their protection and support. Those who visit our state come to enjoy these very treasures. A small tax like this can reap big benefits far into the future.

Please vote yes to keep our state strong in protecting those places and creatures we hold dear.
