

Submitter: Richard Cook

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I STRONGLY OPPOSE HB 4145 as it being unconstitutional towards Oregon residents. This bill will not stop anything that it is written out to do, as criminals do not abide by the law as it is. This bill will only turn law abiding citizens into crimes by taking away a constitutional right. It is not a privilege to keep and bare arms, it is a RIGHT.
