

Submitter: Eric NOEL

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am a young adult who prefers to own a firearm for personal protection. I also work in healthcare and learn about different types of people, of all religions, races, etc. It is ridiculous to judge someone purchasing a firearm and leaves the door wide open for someone to give all their friends firearms then deny a firearm to a young woman who lives alone, on the basis of religion. The current system standerdizes the process to ensure everyone has equal rights to firearms.
