Measure, Appointment or Topic: HB4145

I am a disabled senior citizen. I cannot afford more fees to exercise my right. It is also not ok to carve out for law enforcement and retired police is creating a second class citizen ship. This will not stop criminals from committing crimes with weapons. Please start making law stiffer for criminals not us law abiding citizen's. Also we should be tossing this bill out for the law breaking way it was strong armed into a bill. Thanks a very concerned citizen. You now have a chance to make this right. Those out bill.
