

Submitter: Angela H.

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB1587

Dear Chairs and Committee Members,

I support 1587 with amendments for core terms and enforcement. People have free speech, and our data should be ours. Selling our data or speech is not "free speech" as software companies may claim. Any appropriate use of data for banks, state or local government, or law enforcement could easily be received with the appropriate warrant from a judge.

Thank you.
