Measure, Appointment or Topic: HB4145

Amendments to the constitution of the United States of America I quote the Second Amendment a well regulated militia being necessary to the security of a Free State the right of the people to keep and bear arms shall not be infringed. we rely on our leadership to make good solid decisions keeping first and foremost the principles that founded this country for many the fear of guns and gun ownership has led to some rash decisions house bill 4145 is such a reaction it will do nothing to curb gun violence as typically people that have concealed carry or purchased their firearms legally are less likely to use them in an assault as a criminal who uses them as tools of the trade. I urge you to recognize the Constitutional rights of oregonians and ensure that our Second Amendment rights are not infringed.
