

Submitter: Blair Hampson

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

My name is Blair Hampson. I am a lifelong Oregon resident of 66 years.

I am writing you to support HB 4134. Again a great opportunity is in front of our legislators and you, our Senators to provide a dedicated source of funding for Oregon wildlife. This legislation was brought forward last year and had bipartisan support.

This Bipartisan support remains constant this session.

The good that would result from your support of HB 4134 would be long lasting and have great positive results for our state.

I consider this legislation very important. I ask that you vote to pass HB 4134.

Thank you for your support

Sincerely

Blair Hampson
