Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I am stating my opposition for HB 4145. It has been a riches of embarrassments, from strong arming one to change a vote in the middle of a vote to scheduling sessions in a way that opposition cannot submit testimony. This bill as with many others is so wrong to the many legal honest people of this state. Not a single one of these bills will stop the criminal. Only punish us good standing citizens and keeping us from our rights.
