Measure, Appointment or Topic: HB4145

I am opposed to this bill for multiple reason's and one is that this does absolutely NOTHING to make it safe for anyone but criminals. Another is the fact that it is against our rights that we have as American's. Please don't add more stupid laws that do nothing for the general public. There are sad stories that people have to pull your heart strings. That is sad but NOT a reason to put something in place that doesn't help anything!
