Measure, Appointment or Topic: HB4134

I am writing in strong support of HB 4134 with the -1 amendment to increase the state lodging tax by 1.25% and help recover Oregon's most vulnerable fish, wildlife, and habitats. My name is Sylvia Edgar and I live in Western Washington county.

Oregon's identity is deeply tied to its natural legacy. Our native fish, wildlife, and diverse habitats—including the high desert and sagebrush steppe—are central to what makes Oregon unique and to why people choose to live, visit, and spend time outside here.

Oregonians value wildlife and want to see it thrive. We are proud of Oregon's natural heritage and care deeply about protecting it for future generations. A strong majority of Oregonians support dedicated funding to recover vulnerable fish, wildlife, and habitats.

HB 4134 provides much needed, long-term, dedicated funding for conservation. This bill would secure sustainable funding to recover Oregon's most at-risk species and habitats, including sagebrush ecosystems, connected wildlife corridors, and resilient landscapes that support biodiversity statewide.

Healthy wildlife and habitats are essential to Oregon's economy. Oregon's outdoor recreation and tourism economy depends on healthy lands and waters. The outdoor economy contributes 2.6% of Oregon's GDP, supports 192,000 jobs, and generates \$16 billion in consumer spending.

We cannot have a strong tourism economy without healthy ecosystems. Protecting fish, wildlife, water, and habitats is not separate from economic vitality—it is foundational to it. Investing in conservation now supports local communities and long-term economic resilience, which is an important step to take. It is time for Oregon to make this investment and commitment.

State leadership is especially important right now. As federal funding and protections for wildlife and habitats are reduced, Oregon has an opportunity—and a responsibility—to step forward and invest in its natural legacy.

HB 4134 would make Oregon a national leader. I have lived and paid taxes in other states, we have an opportunity to set an example and expectation for our neighbors near and far.

I do my best to contribute not only on my own property, but locally and state wide to support and protect our amazing natural resources. I consistently volunteer with local organizations to contribute time and energy to maintaining and improving our shared natural resources.

Please show your support as well, at this important time and with this special opportunity by voting for this critical bill.

Thank you
