Measure, Appointment or Topic: HB4145

I am against HB4145 and its attempt to circumnavigate around ballot measure 114. Both the original measure 114 and its attempt to alter it HB4145 are in direct violation of my 2nd amendment rights! No-one should be able to take away my legally owned firearms and limit the magazine sizes of my handguns and rifles. The ridiculous extension of waiting periods is not reasonable and the increase in fees is inexcusable to a public already overpaying in taxes and fees. Our current state police background check is working fine and we do not need any further erosion of our constitutional rights.
