

Submitter: Bobby Tarusan
On Behalf Of: The poor people of Oregon
Committee: Senate Committee On Rules
Measure, Appointment or Topic: HB4145

I oppose this bill due to the extreme cost and delay in timeframe to exercise our constitutional right and the constitution of Oregon. The constitution does not require permits for or a timeline to exercise it. We have laws that are not being enforced by the courts. The fact the democrats voted against the cooperation of local to federal government for illegal immigrate that committed sexual crimes and violent crimes shows everyone in Oregon you don't care about the people!
