

Submitter:

Mindy Bizzell

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

HB4145

I canvased my entire town getting signatures for this bill, I believe it will help make our communities safer. People matter, children matter, guns are not what our communities want to protect, please, we are begging you to protect the people and require permit to purchase, close the loophole, and prohibit large capacity magazines.
