

Submitter:

Michael Graziano

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

HB4145

We the people oppose this bill 100% we live in America it's a country with rights and a permit to practice a right is unconstitutional. The bad people will not obey because they dont care. You are making honest hard working Americans not able to practice there american right and making it easier for criminals to know what everyone has.
