HB4145

HB4145 is not about saving lives. HB4145 is all about removing Oregonian's right to self-defense.

HB4145 increases fees (\$65-\$150, +130%) and delays (30-60 days, +100%), with no recourse by Oregonians when the schedule is not met and must be restarted.

The delays with the training requirement means it takes 3-4months for an Oregonian to exercise their 2nd amendment and self-defense rights.

This increase in fees and delays mean that some Oregonians cannot afford to execute their constitutional rights to self-defense.

HB4145 installs a registry of gun owners that can be misused or breached, which is a direct violation of federal law.

HB4145 seeks to manipulate the judicial system by requiring all legal challenges to be completed through Marion Circuit Court. This means the law is so wrong that the authors know it will not survive legal challenges outside of their home court.

Inappropriate/unethical use of the emergency clause preventing Oregonians from deploying the referendum process.

Moves the magazine affirmative defense date to January 1, 2027.

Moves BM114 implementation to Jan 1, 2028.
