

Submitter: Austen Dennison

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

Increasing the fee for a permit is going to penalize the marginalized community. This will do nothing to stop the people getting guns illegally, as they won't get a permit or endure a waiting period.

This is just going to hurt law abiding citizens by making us jump through multiple hoops and costs, just to exercise our rights as Americans.
