Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

I urge you to oppose HB4145. The right to keep and bear arms for self defense is not a privilege. Restrictions in HB4145 when applied to any other right are absurd. As they are here. You must have a permit to speak freely. There is a fee to vote. Wait times to peaceably assemble can take up to 60 days. All of these are absurd. Vote this bill down.
