Committee: Senate Committee On Rules

Measure, Appointment or Topic: HB4145

HB 4145 is bad for Oregonians.

1, It raises costs and delays Oregonians out of exercising their constitutional rights.

2, I am against the installation of ILLEGAL "Registries" at both State and Federal levels.

3, It enables Oregon State Police to set rules/law on magazine limitations and labeling in the future, meaning there will be no chance for input or voting by the general public.

4, HB4145 is not about saving lives. HB4145 is all about removing Oregonian's right to self-defense.

5, The increase in fees and delays mean that some Oregonians cannot afford to execute their constitutional rights to self-defense.

6, HB4145 seeks to manipulate the judicial system by requiring all legal challenges to be completed through Marion Circuit Court.
