

Submitter: John Livingston

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

I am an environmentalist and wish to add my support for this bill. People passing thru Oregon need to pay a small amount to support the protections provided by the legislation. We need to spend this money wisely and have accountability for meeting metrics that show we are protecting our wildlife and using the money wisely. Please pass this bill.
