On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4148

Our state needs to continue driving tourism. The hardest hit is the Portland area because Portland has become an desirable place to be because of the failed policies that have been allowed to keep Portland to be a thriving place with homeless, drug and crime issues that are allowed to run rampant. The last thing we need is to divert these funds. Please vote "NO" on HB 4148.
