Measure, Appointment or Topic: HB4148

The Oregon Mayors Association is in strong support of HB 4148 and urges the legislature to adopt this policy giving cities more flexibility with how we spend TLT funds. As Mayors, we are committed to supporting our tourism industries and travel-related businesses, but need increased flexibility to ensure that we are also meeting the demands caused by increased visitation to our cities. HB 4148 moves in the right direction, and we urge passage of this important change.
